

Mr Phil Ingram, Senior Trade Commissioner
cordially invites you to attend an
Australian Green Building & Energy Efficiency Seminar
and
Networking Reception

5:30pm – 8.00pm, Monday 20 June 2011

Australian Consulate – General Showroom
24th Floor, Harbour Centre
25 Harbour Road, Wanchai, Hong Kong

An Australian Green Building and Energy Efficiency Mission of the following 9 companies will visit Hong Kong and will give presentations about Australian green building and energy efficiency capabilities and will be pleased to meet you and share information about green building and energy efficiency business opportunities in Hong Kong and Australia. On the following day, 21 June, there will be an opportunity for one-on-one meetings with Mission members which you can book using the form at the end of this invitation. We invite you to learn first-hand about the energy efficiency technologies, green building products and sustainable architectural and engineering services Australia has to offer:
