第九屆粵港澳大灣區可持續發展研討會 第一號通告：徵文通知

粵港澳可持續發展研討會自 2002 年創辦以來，已成功舉辦了八屆，得到了粵港澳工程界、科技界乃至社會各界的廣泛認同和大力支持，為粵港澳工程界、科技界的友誼增進不少，亦加強粵港澳的交流與合作作出了積極的貢獻。

研討會由三地資深工程師組成的委員會合力主辦。是次第九屆會議由澳門承辦；承辦單位為澳門工程師學會。而合辦單位為廣東省科學技術協會及香港工程師學會的土木、環境及建造分部。

今屆研討會的主題為「**緊握機遇 建設綠色大灣區**」。研討會將在 2018 年 11 月 23 日於澳門舉行。研討會舉行後，於翌日將會有參觀考察安排於澳門進行。

本屆研討會為三地有關的學界、業界、政府機構等人士提供交流合作平台，藉以分享未來粵港澳於一帶一路下的發展服務，同時亦希望能促進產業發展，開拓市場和推動專業服務。本屆研討會希望借著研討會的深入交流合作，體現並發揮香港的獨特優勢，為在粵港澳工程界之間搭建一個綜合性、開放式的學術交流平台並持續鞏固拓展。

研討會的內容有主題報告和論文報告。為共同探討研討會的主題「**緊握機遇 建設綠色大灣區**」，現特向各有關企業、大專院校、科研單位、政府機構，設備生產商、專業學會、行業協會及有關各界，誠意徵集論文。

論文報告的內容可與以下各範疇相關：

研討會主題：「**緊握機遇 建設綠色大灣區**」

討論專題：

- (1) 區域防洪防災合作發展
- (2) 金融助力科技創新
- (3) 綠色建築
- (4) 智慧城市發展
- (5) 其他

論文格式要求：

1. 語言：中文 / 英文
2. 論文摘要須少於 400 字
3. 論文格式：Microsoft Word 2003 或更新版本的電子檔。

簡體中文：簡體字型為宋體；標題大小為 16，內文大小為 12，採用單行間距

繁體中文：繁體字型為標楷體；標題大小為 16，內文大小為 12，採用單行間距

英文：Font: Arial, Font size (Title)： 16; Font size (content)： 12, Line Spacing： Single

9th Guangdong Hong Kong Macau Bay Area Sustainable Development Conference **Call for Abstracts**

Guangdong Hong Kong Macau Sustainable Development Conference was founded in 2002 by professional bodies from Guangdong Province, Hong Kong and Macau. Since its inception, it has been successfully held 8 times and has the widespread recognition and support from the engineering industry, scientific community and the social community, to strengthen exchanges and cooperation between Guangdong, Hong Kong has made a positive contribution. The 9th Sustainable Development Conference will be hosted by the Macau Institution of Engineers. The joint organisers of the conference are Guangdong Provincial Association for Science and Technology and the Civil, Environmental and Building Divisions of the Hong Kong Institution of Engineers (HKIE).

The main theme of the Conference is “**Grabbing the Opportunity of Building a Green Bay Area**”. The Pearl River Delta Bay Area (PRD Bay Area) has become a major focus of future development and growth. The conference would cover four key development concepts: Co-operated Development of District Flood Prevention, Green Financing, Green Construction and Smart City Development. The conference will promote discussion on the future development trends and thinking in the PRD Bay Area under the Belt and Road Initiatives and the overall sustainable development master planning and challenges. It would also facilitate dialogue on the opportunities and challenges of sustainable development in various cities in PRD Bay Area. The conference also serves to promote cooperation and synergy on sustainable economy, transport, information and smart cities; environment and green development (air, water resources, green buildings); energy and climate change; and social development and the trends towards international standardisation and management."

Theme: Grabbing the Opportunity of Building a Green Bay Area

Sub-topics:

1. Cross-District Flood Prevention

SAMPLE PAPER FOR THE 9TH GUANGDONG HONG KONG MACAU SUSTAINABLE DEVELOPMENT CONFERENCE

xxx Chan

Environment Protection Department

The Government of the HKSAR

Abstract: *The 9th Guangdong Hong Kong Macau Sustainable development conference on “Sustainability and Challenges of the Belt and Road Initiative” will be held on 23 November 2018. Invited papers will be published in the seminar proceedings. The format required for publication is demonstrated in this sample paper. Perspective authors can also use this sample paper as a template in the preparation of their papers.*

INTRODUCTION

In general, the paper has to be camera-ready to facilitate publication and to minimize errors induced by unnecessary handling. The purpose of this sample paper is to illustrate the format requirements of the paper so as to produce seminar proceedings of uniform format with minimal editing.

FORMAT REQUIREMENTS

The format requirements for the paper to be published in the seminar proceedings are outlined as follows.

General

General format requirements for the paper are as follows:

- (1) There should be a one-inch margin.
- (2) The font of the paper should be Arial 12 points.
- (3) SI units should be used throughout the paper.

Paper Title

The title of the paper should be concise and descriptive of the contents of the paper. The font size of the paper title should be 16 points, bold and all caps.

Author(s)

The font size of the author name(s), title(s) and affiliation(s) should be 12 points and title case.

Abstract

The abstract should be in Arial 12 points and italic. The abstract should be concise and preferably not more than 200 words.

Main Heading

There should be two empty lines before a main heading. The main heading should be 12 points, bold and all caps.

Sub-Heading

There should be one empty line before a sub-heading. The sub-heading should be 12 points, bold and title case.

Figures and Tables

Figures and tables should be clear and legible as they are. Axes should be clearly labeled for figures with proper units. Title of the figure should be placed underneath the figure and title of the table should be placed atop the table.

OTHERS

If the authors choose to include an acknowledgement section, it should be placed after references. Any appendices should be given after the acknowledgement section.

CONCLUSIONS

A sample paper is given to illustrate the required format for the papers to be published in the proceedings of the 8th Guangdong Hong Kong Macau Sustainable development conference 2016. Prospective authors are encouraged to follow the format so as to minimize the editorial effort required to produce a uniform proceeding.

REFERENCES

The reference section should appear at the end of the paper. Citation should be complete and correct.

ACKNOWLEDGEMENTS

The comments from the Organizing Committee of the 9th Guangdong Hong Kong Macau Sustainable development conference are gratefully acknowledged.
