

2012 Environmental Paper Award

HKIE Environmental Division

OBJECTIVE

The primary objective of the Award is to recognize engineers' efforts in any environmental research and project in which pollution control and/or energy conservation in regard to green building development are fully and properly addressed. This Award is intended to encourage widespread emergence of environmentally sound projects.

AWARDS

The Champion Prize for the Award is HK\$10,000 plus the Champion Award Certificate while the First Runner-up Prize is HK\$5,000 with an award certificate. The HKIE Environmental Division reserves the right to allocate the prizes.

CRITERIA

All submitted papers will be assessed based on:

1. Innovation and environmental performance;
2. Logical arguments;
3. Presentation and clarity;
4. Comprehensiveness and coverage; and
5. Contribution to sustainable development.
