Leader Award 2012

Call for Nominations

The HKIE Young Green Leader is the first environmental award to recognize young HKIE members' notable contribution to the environmental field in HK with the aim to encourage young engineers to take a proactive role in environmental protection and conservation. The award winners would become the HKIE Green Ambassadors to promote sustainable green engineering practices.

Eligibility

- " a HKIE member of any class
- " at the age of 35 or below as of closing deadline of nomination
- " nominated by any companies, institutions, or public / private organizations
- " supported by one or more credible referee

Selection Criteria

Eligible candidate, as individual or as part of a group, would be judged on their notable contribution and leadership in the environmental field in terms of academic research, contribution to the society, and promotion of environmental awareness.

Submission for Nomination

The nominee shall complete the nomination form with support of a nominator and one or more referees to support his/her nomination. Copies of relevant supporting documentation shall also be provided

Selection Process

An Interview by the Young Green Leader Selection Panel shall be arranged for the shortlisted candidates. Shortlisted candidates will have to give a short presentation (20 minutes) on his/her contributions.

The three best candidates will be selected as HKIE Young Green Leaders.

Award:

1st Prize: HK\$5,000 (cash/book coupon)
2nd Prize: HK\$3,000 (cash/book coupon)
3rd Prize: HK\$2,000 (cash/book coupon)
Certificate of %Green Leader+for every winner.

Nomination Deadline:
31 August 2012

How will winners benefit?

- " recognition of contribution to the environmental field and the society
- " Sharing of winners' successful experience as good practice within the engineering profession

How will the company benefit?

- " appreciation of young engineers' contribution to the industry
- " an opportunity to further develop young employees to become an industry leader
- " promotion of company's successful experience and good practices
- " showcase of young engineer development

*Results will be announced in HKIE website and publications.
